Program Offerings

Baby Class Swimming Program (2-3 years old)

Dive into fun with our Baby Class Swimming Program, specially designed for children aged 2-3 years old! In a safe and nurturing environment, our experienced instructors introduce young swimmers to basic water skills, building confidence and comfort in the water. Through playful activities and gentle guidance, your little ones will develop coordination, balance, and a love for swimming.

Schedule : Every Tuesday

Aquatike Class Program (3-4yo)

The program focuses on developing water safety skills and basic swimming techniques through fun and engaging activities. Under the guidance of caring instructors, young swimmers will gain confidence, improve their motor skills, and enjoy splashing around in a safe and supportive environment.

Schedule : Every Tuesday

(4-5yo) The Program is designed for children aged 4-5

Preschool Class Swimming program

years old, offering a fun and educational introduction to swimming. With a focus on building water confidence and fundamental swimming skills, our experienced instructors

guide preschoolers through a variety of

activities that promote safety and technique.

Schedule : Every Friday

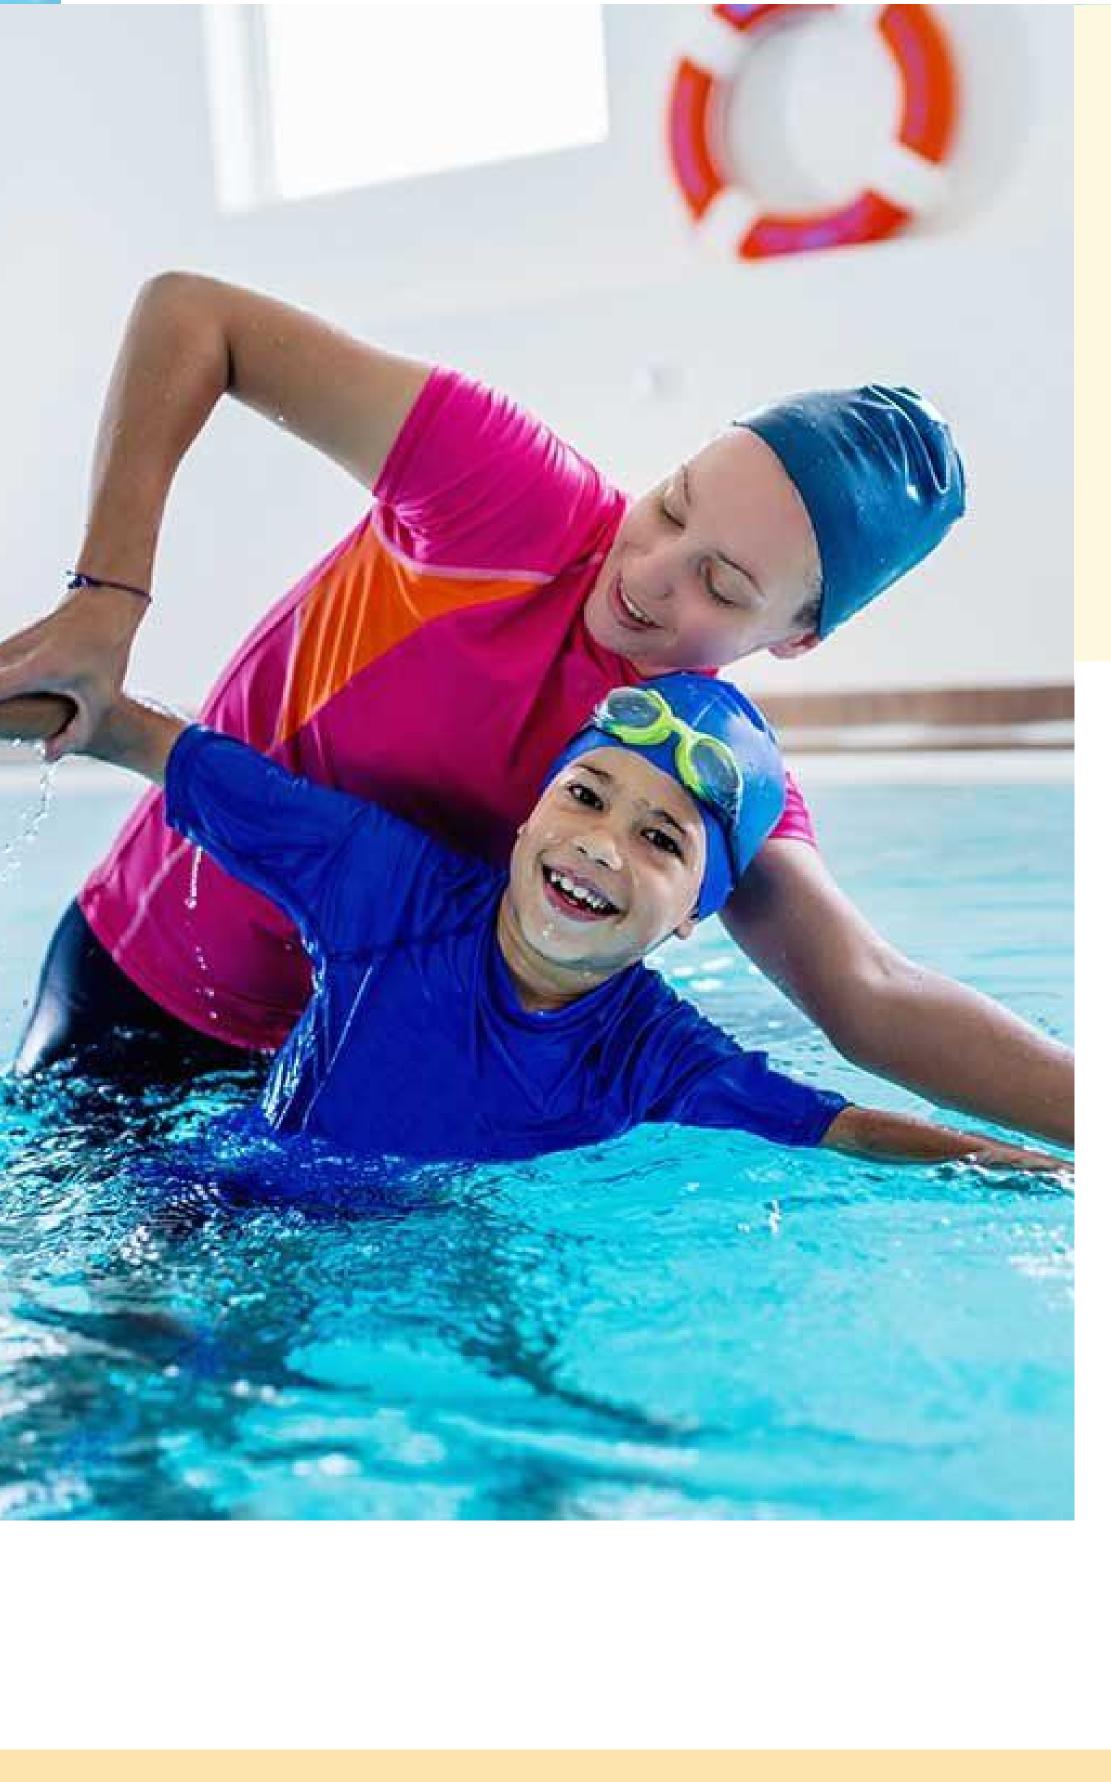

The Program is perfect for kids aged 6-9 years old who are ready to dive into the basics of

Beginner Class Swimming program

(6-9yo)

swimming. This program focuses on water safety, fundamental strokes, and building confidence in the water. Led by skilled instructors, students will learn essential techniques in a fun and supportive setting, setting the foundation for a lifelong love of swimming.

Schedule: Every Friday
